**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do not deregulate. We are a small non-profit that runs on a very tight budget and it is my belief that by deregulating we will see price hikes like never before. The small providers need your help in leveling the playing field using regulations.

Being non-profit, having a tight budget, and located in the middle of a rural area means we need choices to get a fair price for service. By deregulating we will be choosing from one of two providers that will set the rate.

Please consider maintaining the regulations in place.

Thank you,

Ken Wold, CEO  
Camp Wood YMCA
